MAYOR CHARLES W. BRYAN
Democratic Candidate for Governor

A Constructive Program for Nebraska

Mayor Bryan favors a reduction of the telephone rates in Nebraska to a reasonable basis. He favors a uniform system of scientific good roads building under the direction of state and county engineers and the use of all public labor possible on said construction. He favors municipal ownership of all public utilities to protect towns and cities against exorbitant rates. He favors fire and hail insurance. He favors the development of the waterpower of the state by municipal, county, and state development, so that cheap electric current can be furnished to light the homes and operate the machinery in the towns and on the farms, to furnish heat in place of high priced coal, and to operate interurban railways throughout the state. He favors permitting farmers to vote at primary and general elections by mail to save time and for convenience.

Mayor Bryan was permanent chairman of the Nebraska State Dry Federation mass meeting and assisted in drafting the dry constitutional amendment. The reforms he advocates are non-partisan and in the interest of the people of the entire state. If elected Governor, he will urge the passage of legislation to enforce the dry constitutional amendment if adopted, and will take the lead in securing other progressive legislation needed to protect Nebraska people and develop the state, the same as he has done as Mayor of Lincoln. Insure the nomination of a dry progressive candidate by voting for

CHARLES W. BRYAN. Primary April 18.
